**Don't Dilly Dally...
Do This Dot 2 Dot!**

Join the dots to reveal
a feathery surprise!

Colin's Crazy Maze!

Guide Colin the Chameleon through this muddling maze to lead him to the treasure chest of gold!

03

Try not to hang... man!

You need **two players** for this nail-biting game.

Player One thinks of a word. Make it tough. Player Two guesses one letter at a time. Be careful though, as every wrong letter means that another bit of the gallows/ stickman is drawn.

The word must be guessed correctly before the little guy meets his bitter end!

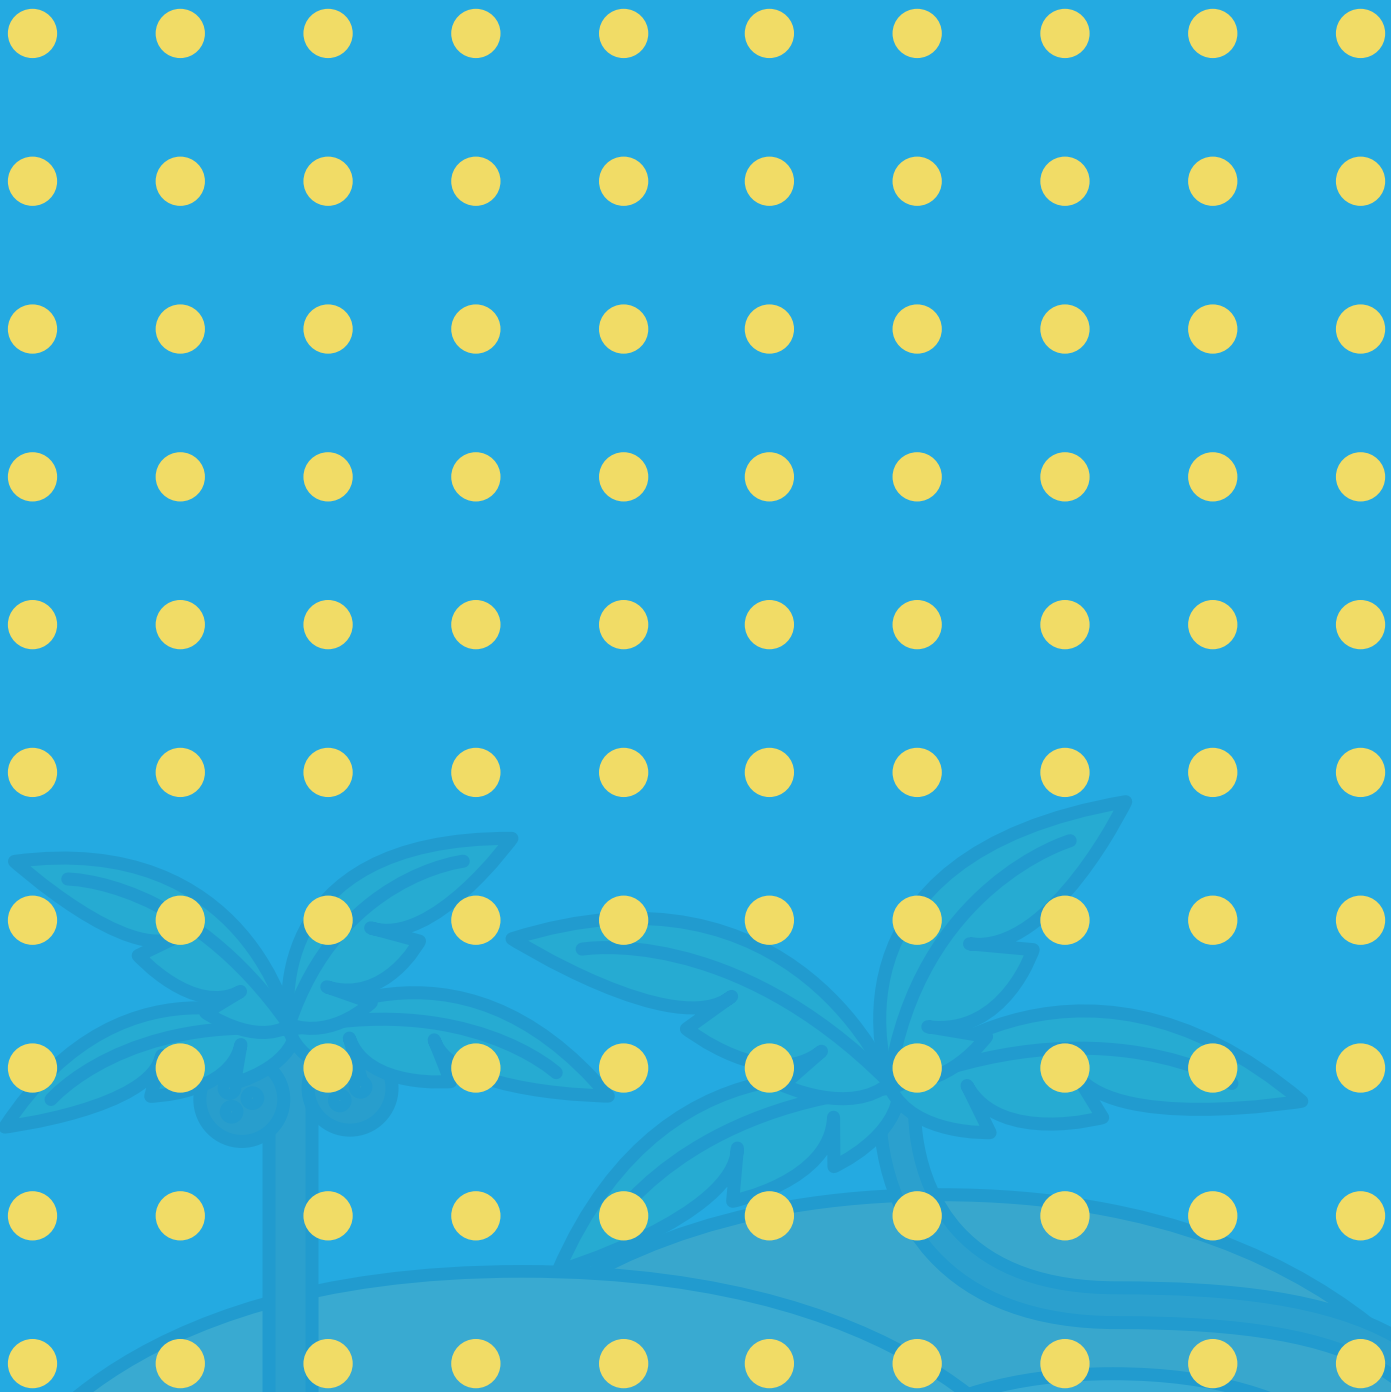

Sneaky Squares

Sharpen your pencils and get down to tactical business.

With **another player**, take it in turns to draw a line horizontally or vertically to connect two dots next to each other. Once the board starts filling up it's time to put your game plan into action and form some sneaky squares.

05

When you have a full square brand it with your initial...
the player with the most squares wins!

Artists Corner

Let your imagination run wild!

Grab your felt tips and create a masterpiece!

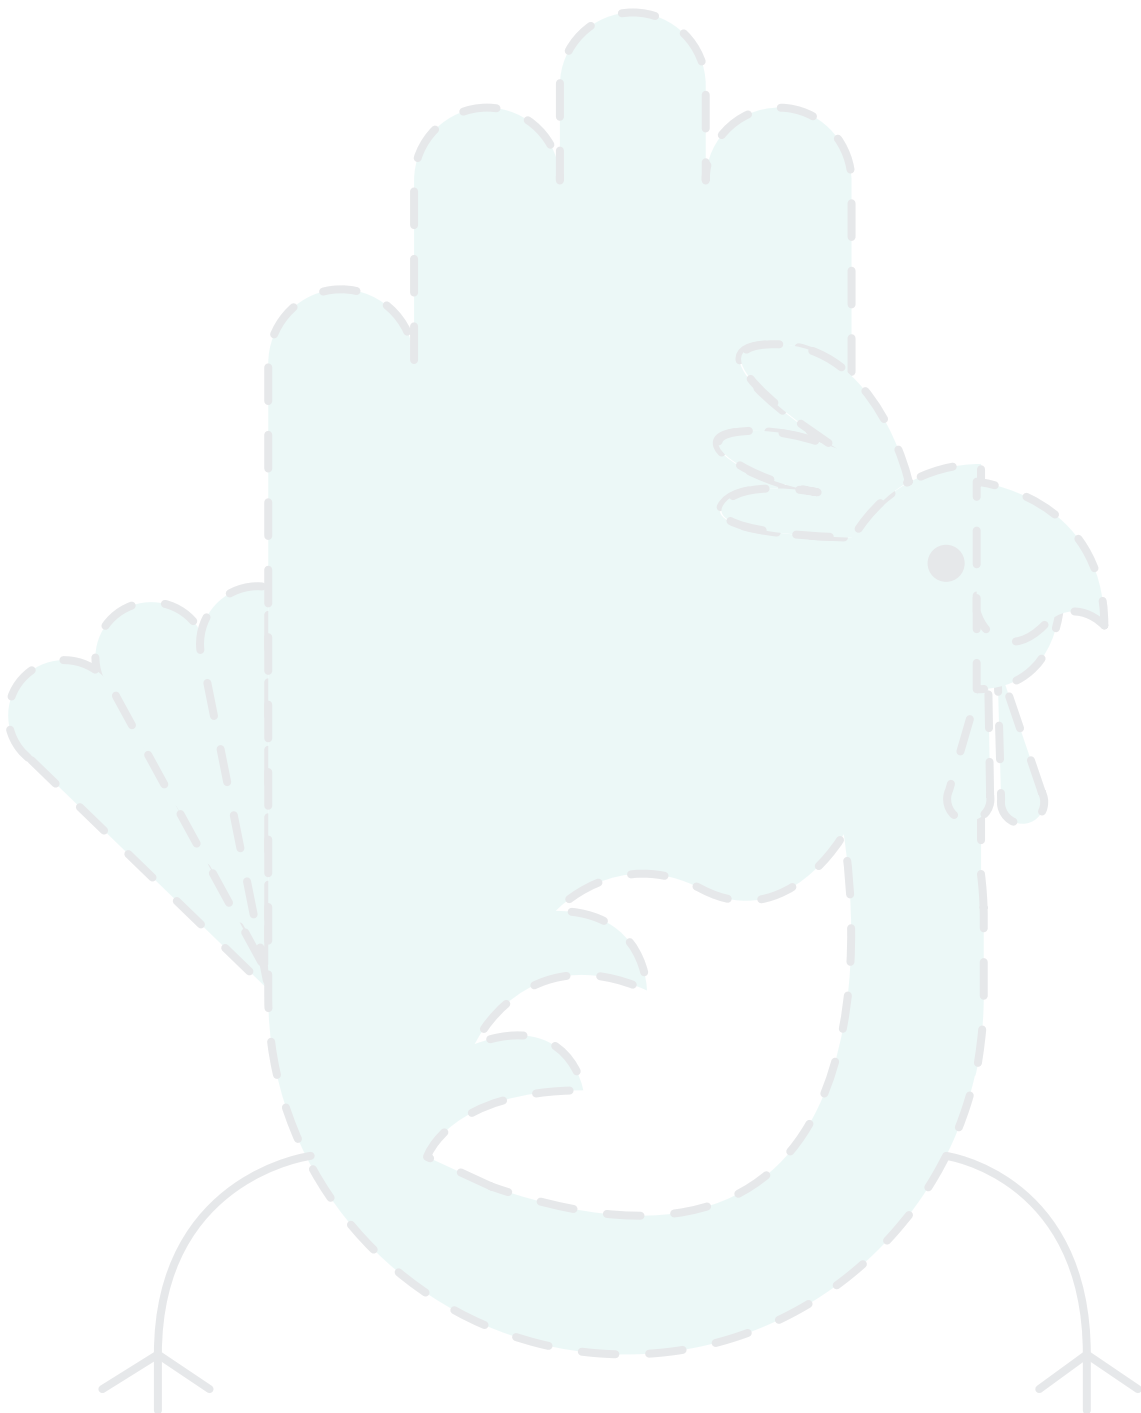

Chicken Hand

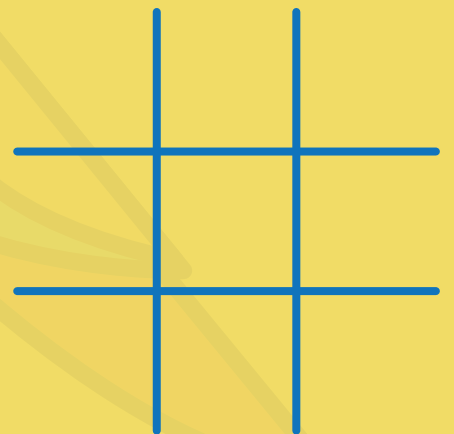

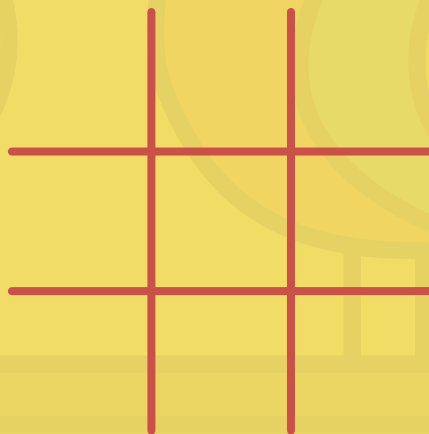

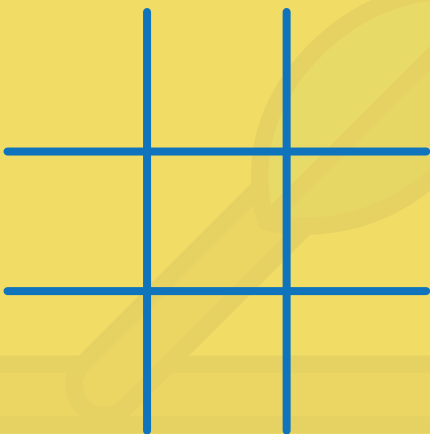

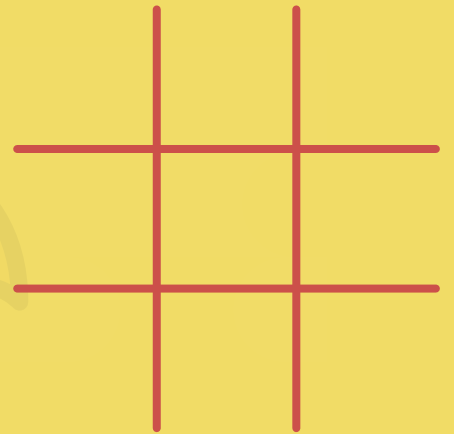

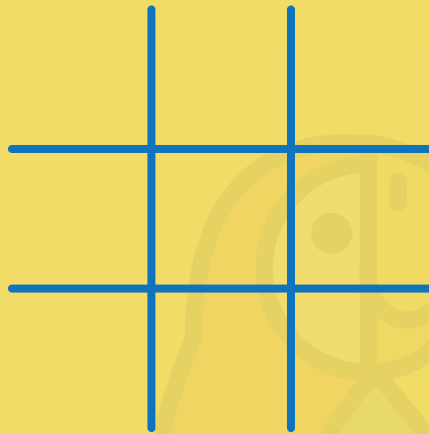

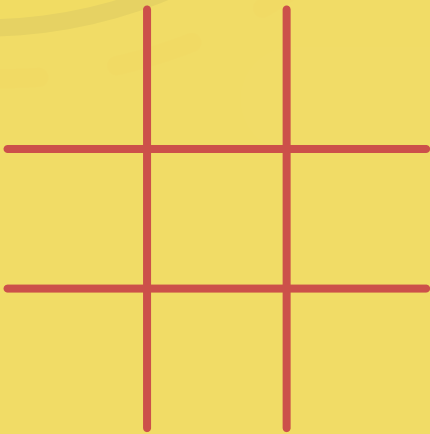

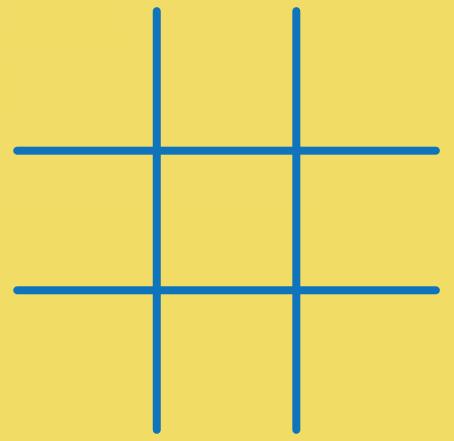

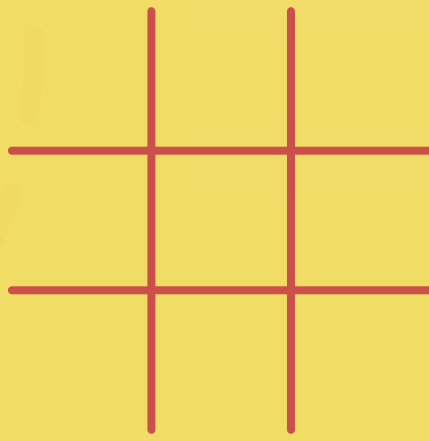

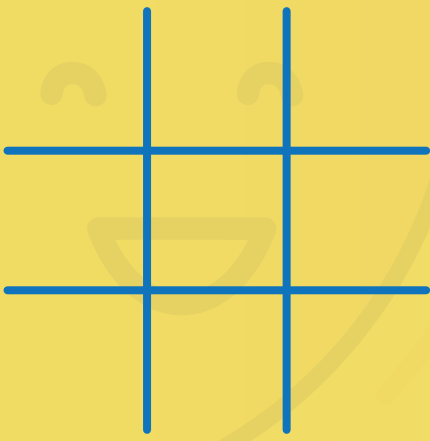

Use the template as a guide.

Take a piece of paper, draw around your hand and see how easy it is to turn it into a chicken!

Colour it in, cut it out and cluck to your heart's content.

07

Noughts and Crosses

One of you is "X" and one of you is "O."

Take it in turns to mark a space in the grid with your symbol.

Whoever manages to get three of their symbols in a row horizontally, vertically or diagonally is the winner... **it's game on!**

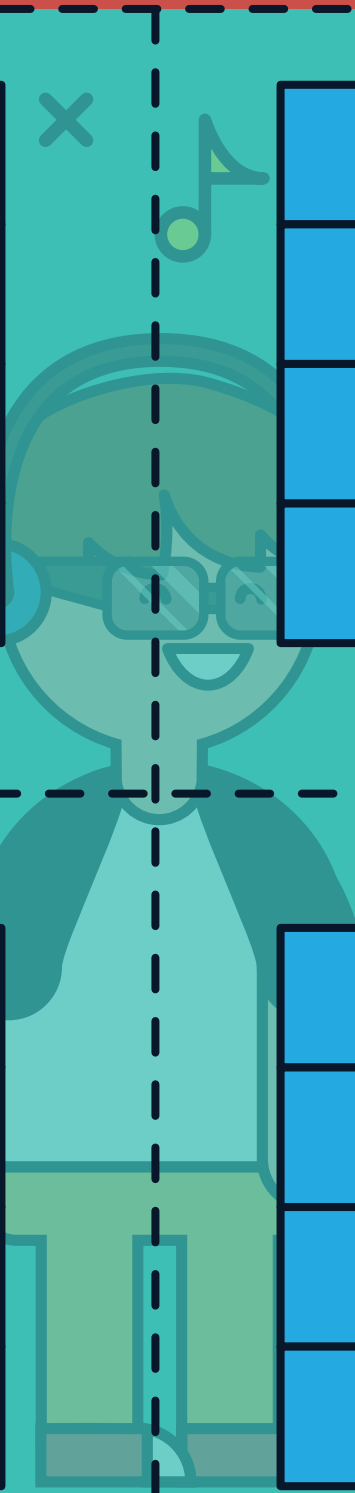

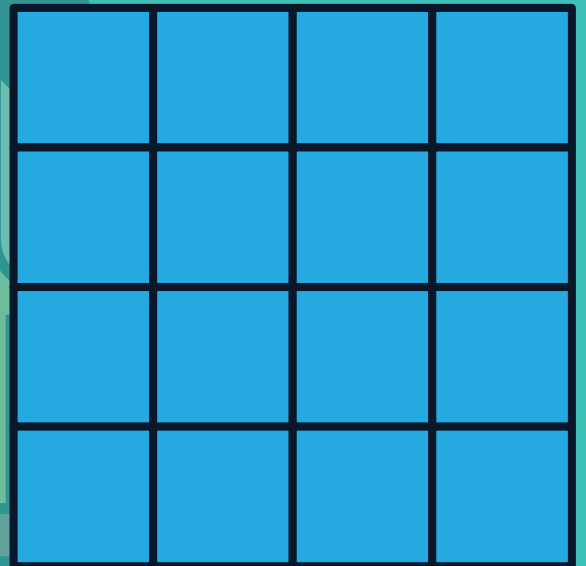

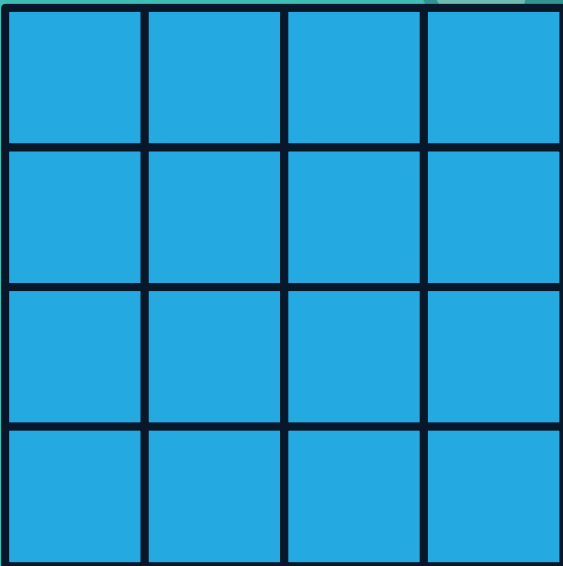

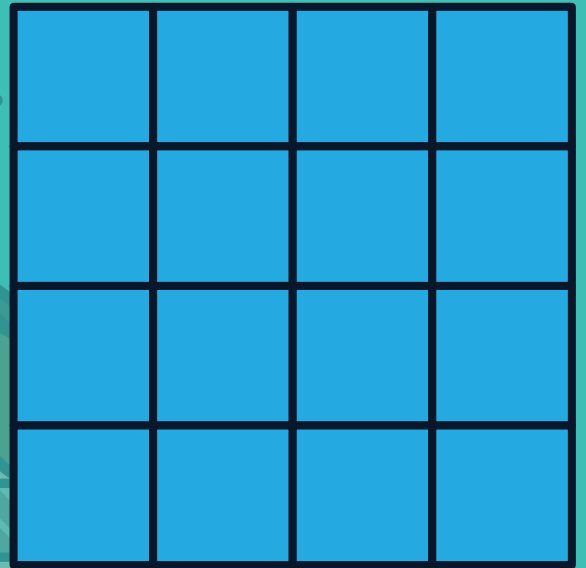

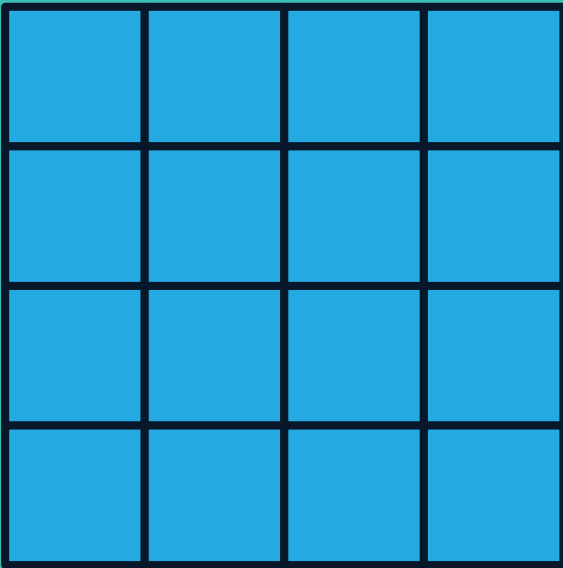

Word Wizard

The more the merrier for this game!

Each person has their own grid (tear them out of the sheet and hand them out.) Make sure you hide the grid from your other opponents.

Take it in turn to all say a letter and fill in the grid with these letters as you go. Once it is full, set a time limit of 2 minutes and see how many 4 letter words you can make. Think hard... the player with the most words wins!

09

Funny fold overs

Fold your piece of paper and take it in turns to draw a body part or an item of clothing.

You'll be rolling around the floor in fits of giggles when you unravel it to reveal your crazy creation!

Spot the difference

All is not what it seems sometimes...

there are **ten differences** between these seemingly identical pictures.

The question is, can you find them all?!

Answers: 1 less coconut, Blimp decal color, Missing Satellite dish, Missing windows, Missing Bracelet, Boys Tee shirt, Octopus tentacle, Town hall roof color, Missing Dolphin, Missing Bracelet
